
MUHAMMAD AL-WAELI

PROFILE

My interest is in human resource development and economic reform, specializing on capacity building in the public and nonprofit sector.

EXPERIENCE

MEMBER OF IRAQI ECONOMISTS NETWORK — 2020 TO PRESENT

I am a member of the Iraqi Economists Network and its management team which aims at attracting and inspiring Iraqi economists to connect with each other and contribute research on economic reform in Iraq.

ANALYST AND CONTRIBUTOR — 2017 TO PRESENT

I write about the social and political developments Iraq, with a focus on policy and reform, of Iraq's economic and administrative institutions in Iraq. My articles have a wide range of readership, amongst them local and International decision makers, diplomats, and non-profit workers in Iraq. I have been interviewed several times on international media and quoted in thesis and research papers. Most of my contributions are published on 1001 Iraqi Thoughts, but also can be found on Kurd Press, PRI, TRT, ABC Australia amongst others.

ANALYST, INTERNATIONAL CREATIVE SOLUTIONS, LTD. — 2013 TO 2014

Part-time analyst on the political situation and economic affairs in Iraq. My reports were read by international oil and gas company officials.

MENTOR, STARTUP WEEKEND BAGHDAD — JUNE 2013

I was a business mentor in the first Startup Weekend event in Baghdad. My role was supporting the contestants and give them ideas on how to develop their business plans and focus on the most important aspects to increase effectiveness.

VOLUNTEER, TEDX BAGHDAD — 2011 TO 2013

Translated some brochures and did some speaker background research.

ANALYST, S.G.I. STUDIO GALLI INGEGNERIA S.P.A. — 2011 TO 2012

Worked on developing a climate change database; developed urban planning reports.

IT SPECIALIST — 2009-2010

IT support and website development at the American University of Iraq – Sulaimani.
